Profile

Expensive summer festivals at far-flung locales can be hard to swing, so RCRD LBL's Elliot Aronow has devised a worthy alternative: a free one-day mini-fest by the beach, right off the A train. Brooklyn acts JEFF the Brotherhood, Kingdom, and Friends will turn the Rockaway Beach Boardwalk into an indie-rock playground, and DJ sets from Shakeyface and Carter Slade will keep the sunburned dance party alive through the evening.
